- **Everything from Levels 1 and 2 plus the following**
- **Reading proficiency** – Ability to read sentences correctly. There is no speed test in this level for sentences, but just accuracy. Sentences will be given with increasing complexity until there is no more tie. Sentences can contain any guninthalu and vattulu.
- **Writing** – Ability to write sentences with words containing Guninthalu, and vattulu. Sentences with varied complexity and number of words will be given. Judges may decide to give more sentences with increased complexity in case a tie breaker is needed.
- **Vocabulary and Speaking** - Should translate sentences from English to Telugu. .
 - A bowl will contain a set of sentences. The contestant picks one and translates. The translated sentence will be checked for tense, sense and singular/plural. There is no choice given here.
 - Complexity:
First round single sentences. Next round two sentences. Subsequent rounds with increasing complexity.
 - Winner is based on elimination in each round and the person who stays till the end is the winner.
